RÁÐSTEFNAN

2024

# Veiðar og fiskeldi

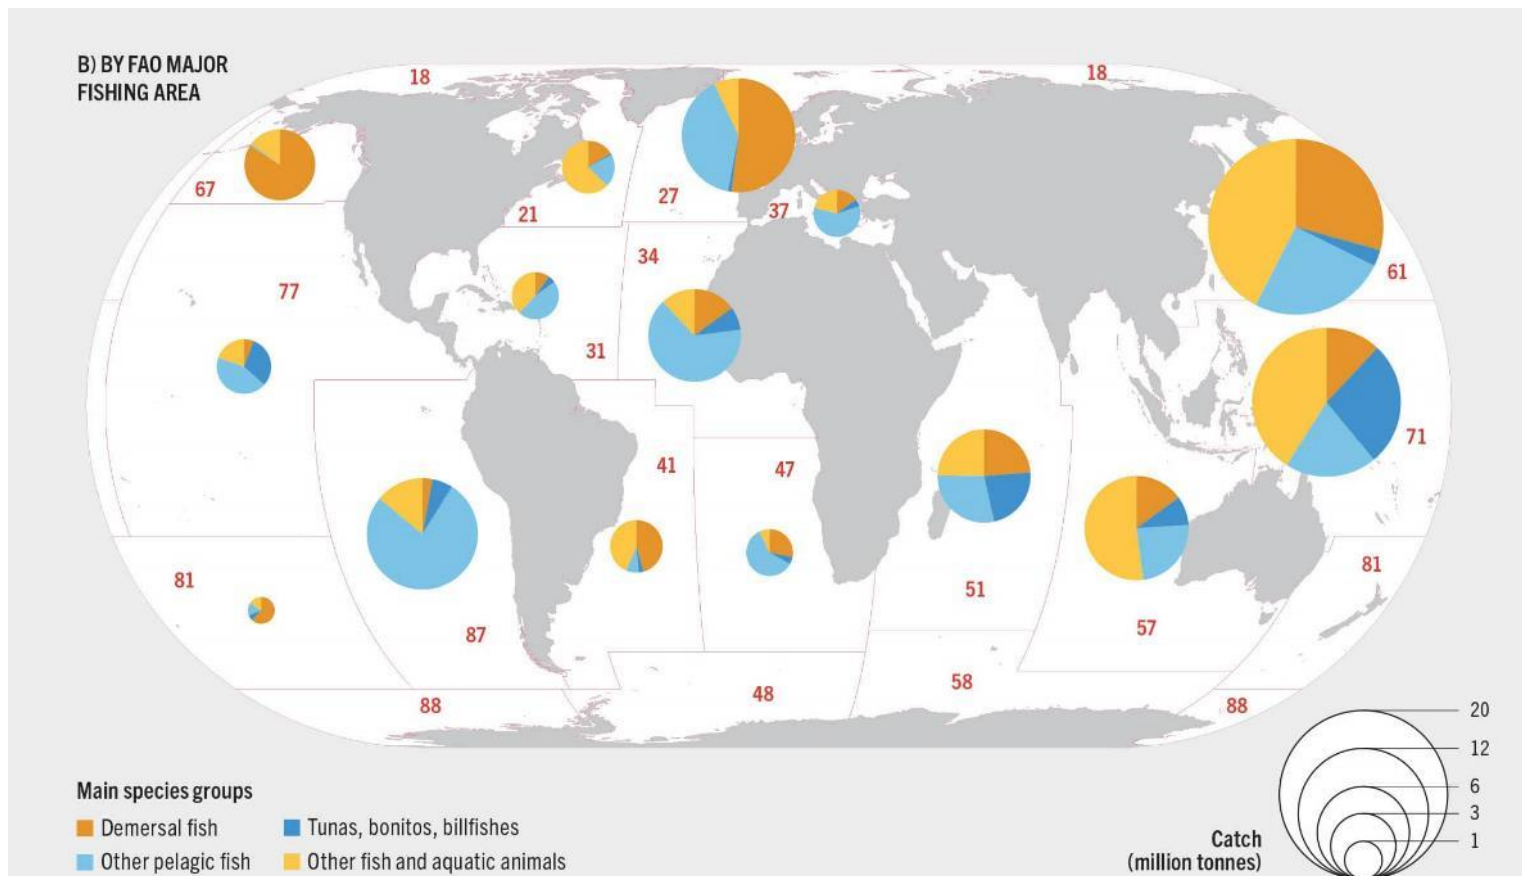

Heimild: FAO

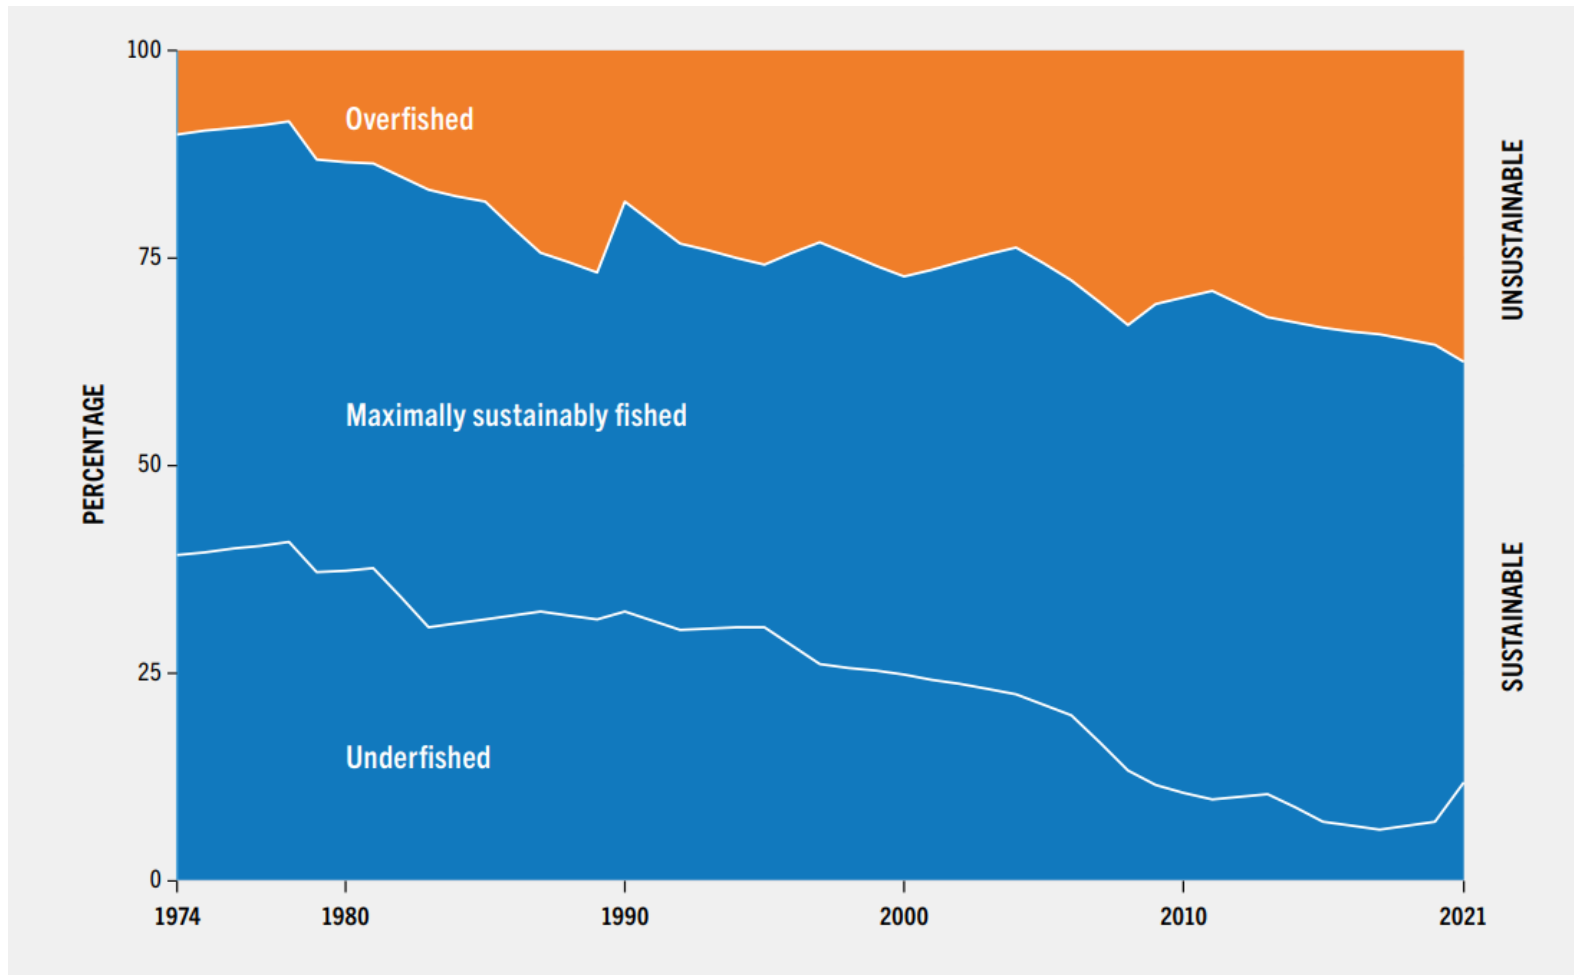

# Umfang veiða í heiminum

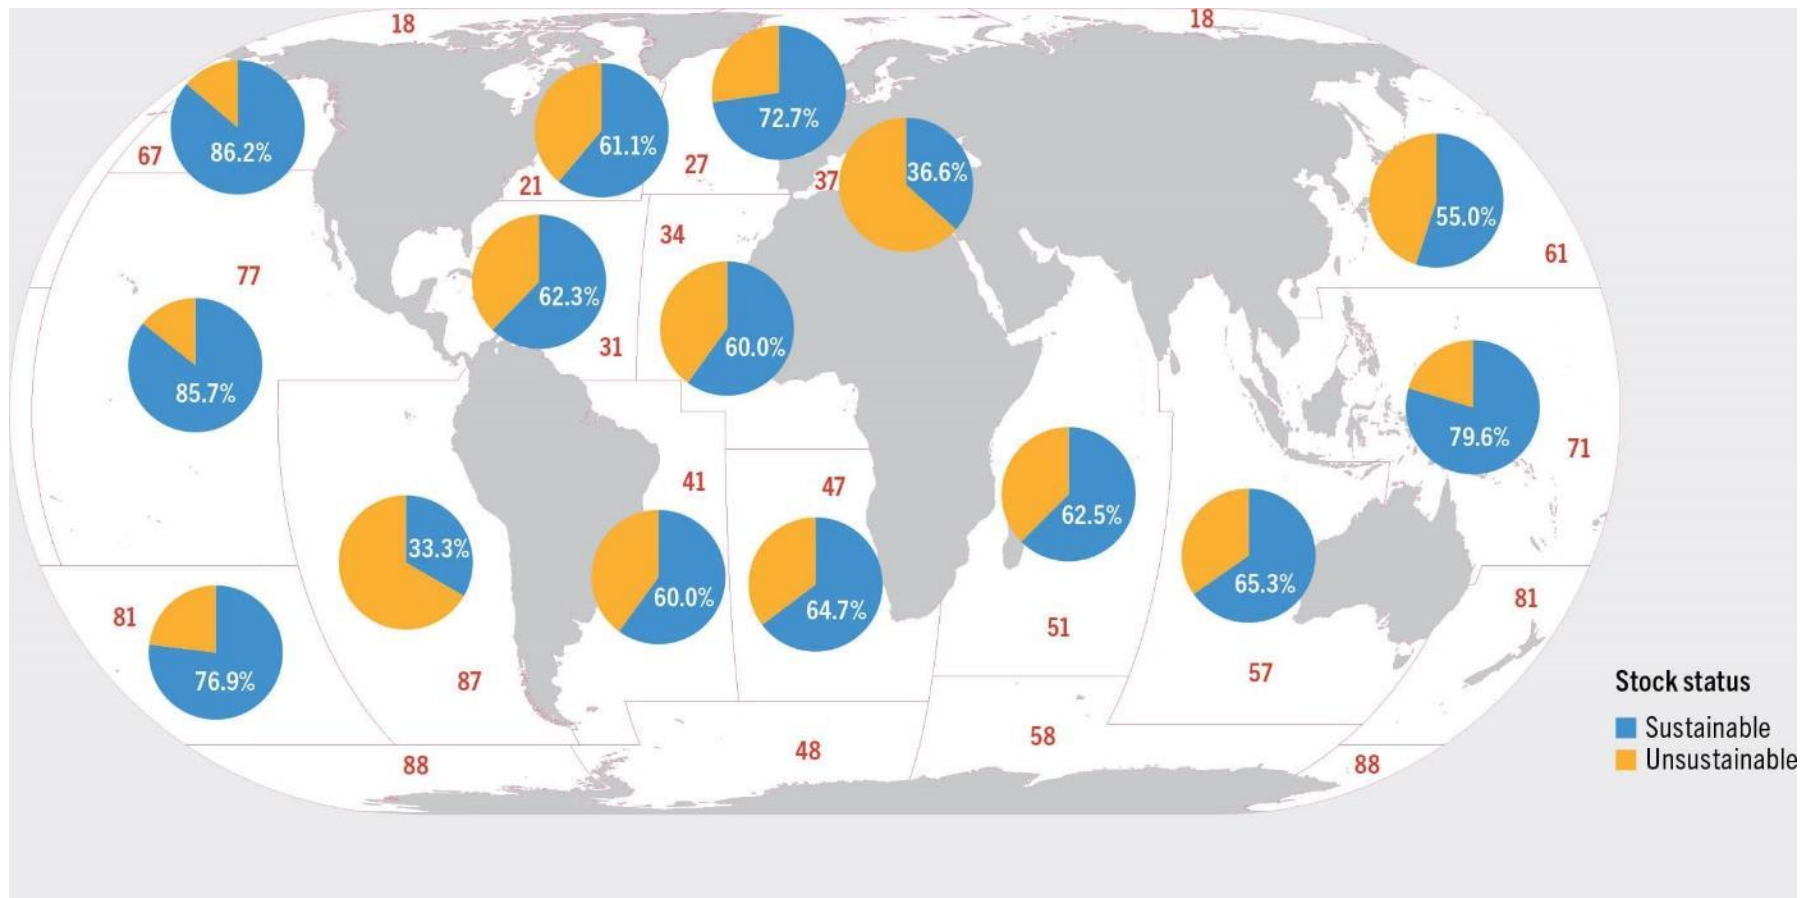

# Ofveiði ennþá vandamál

# Sjálfbærni eftir heimshlutum

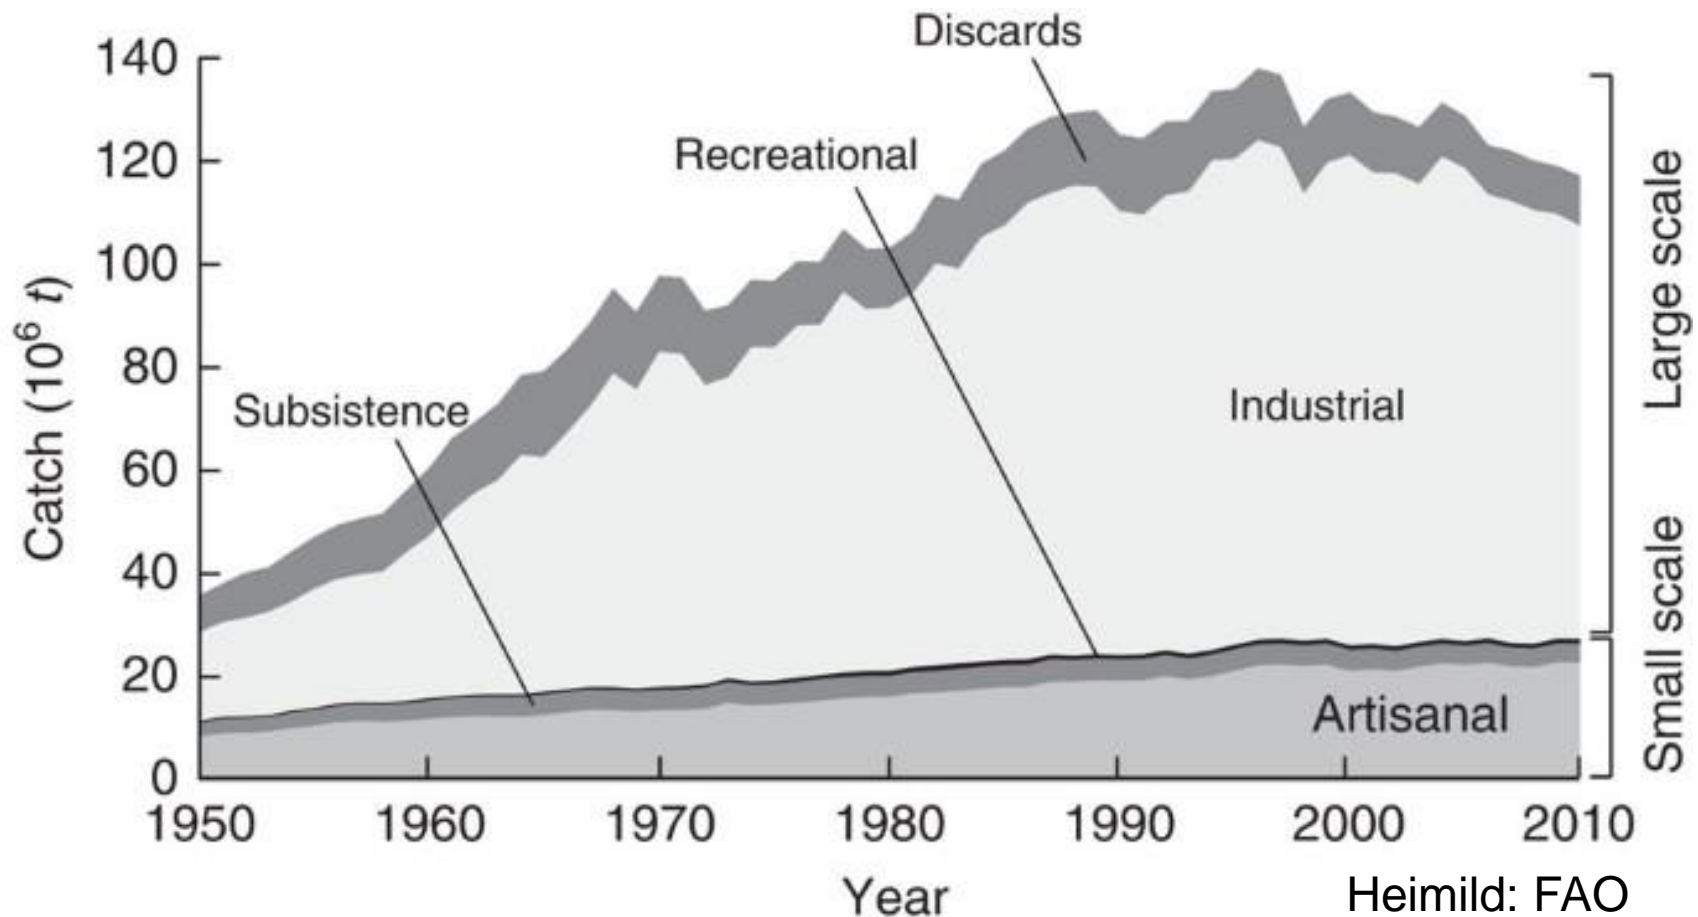

Heimild: FAO

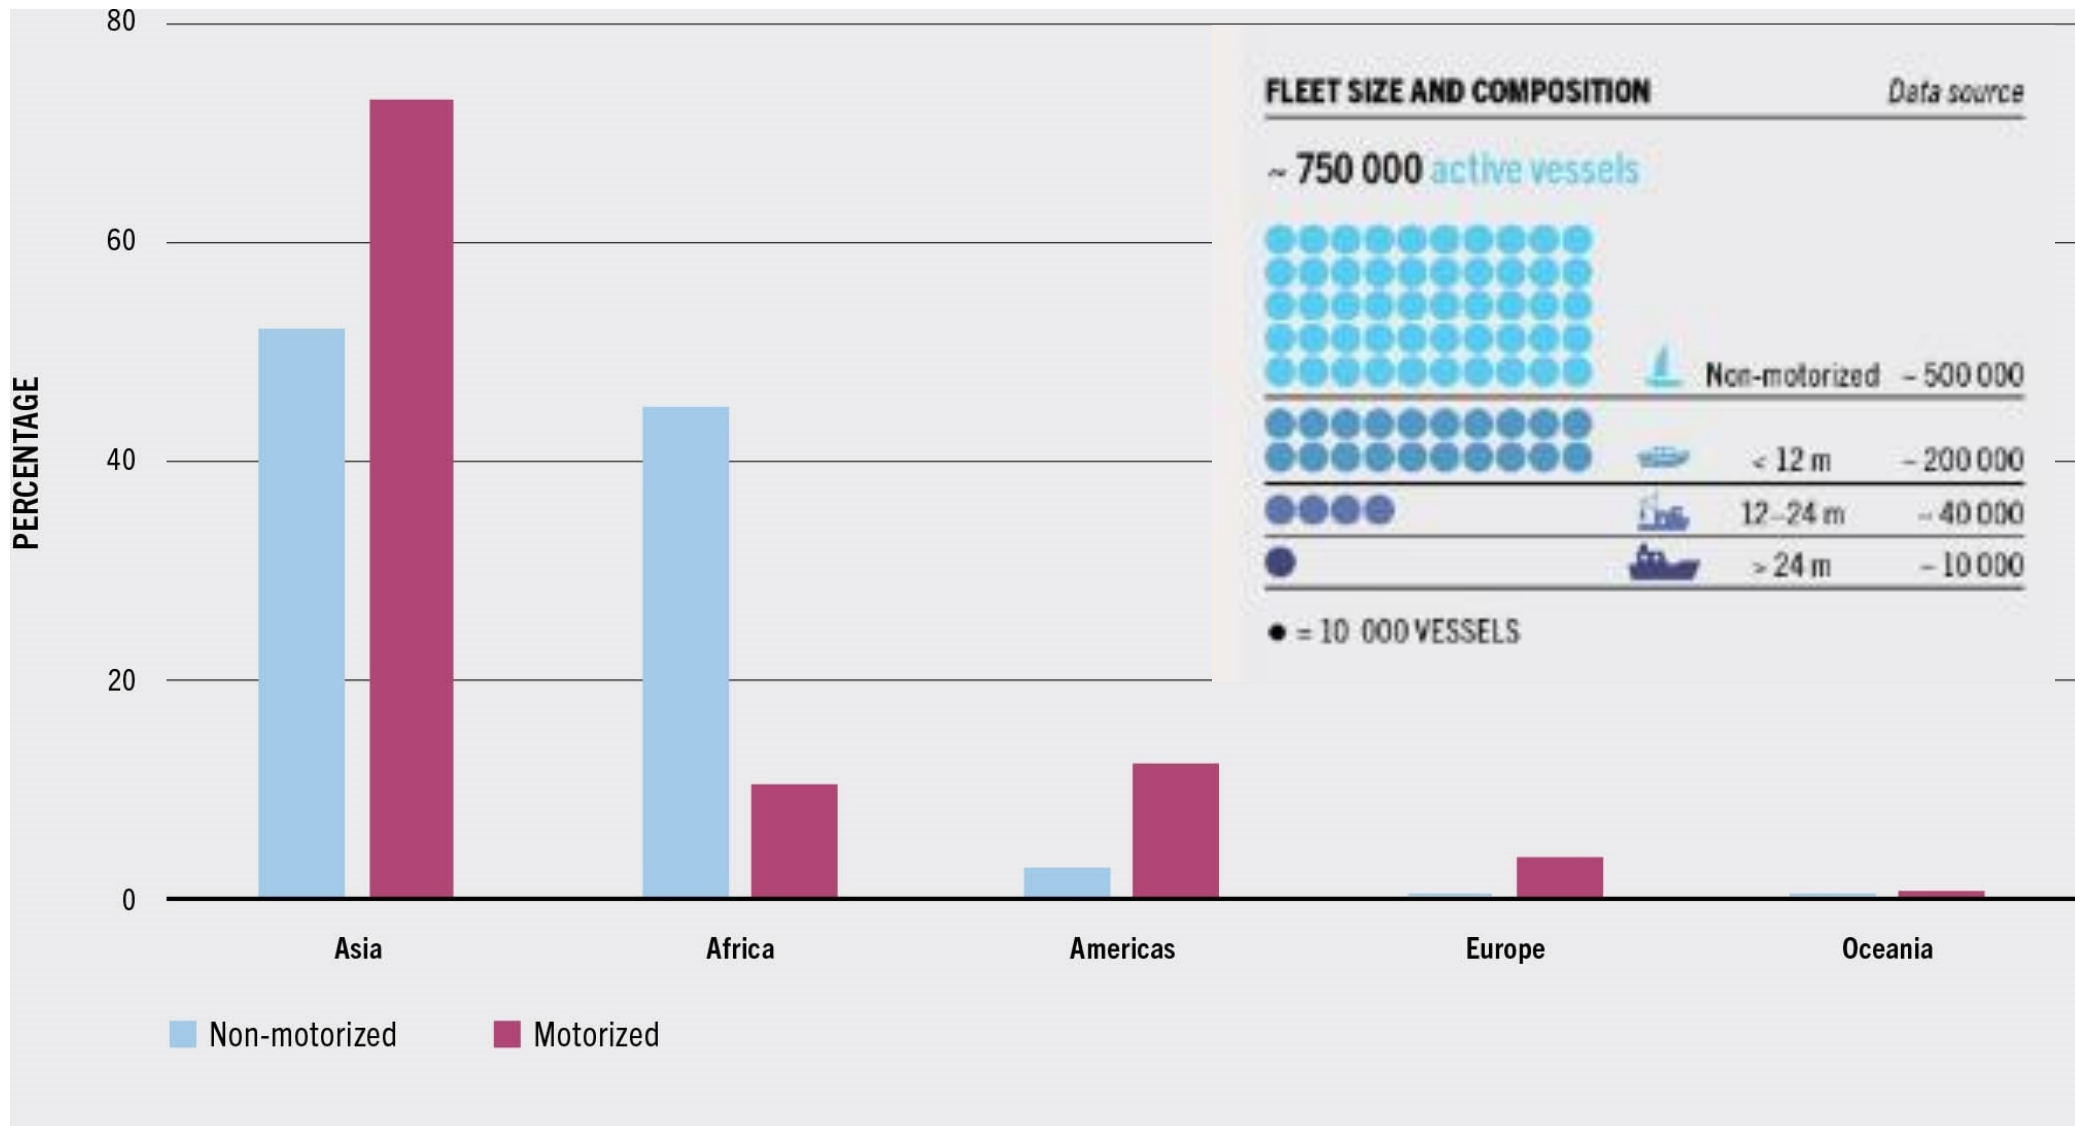

# Smáskalaveiðar ennþá mjög útbreiddar

# Skip með og án vélar

**The stone age did not end because  
we ran out of stones**

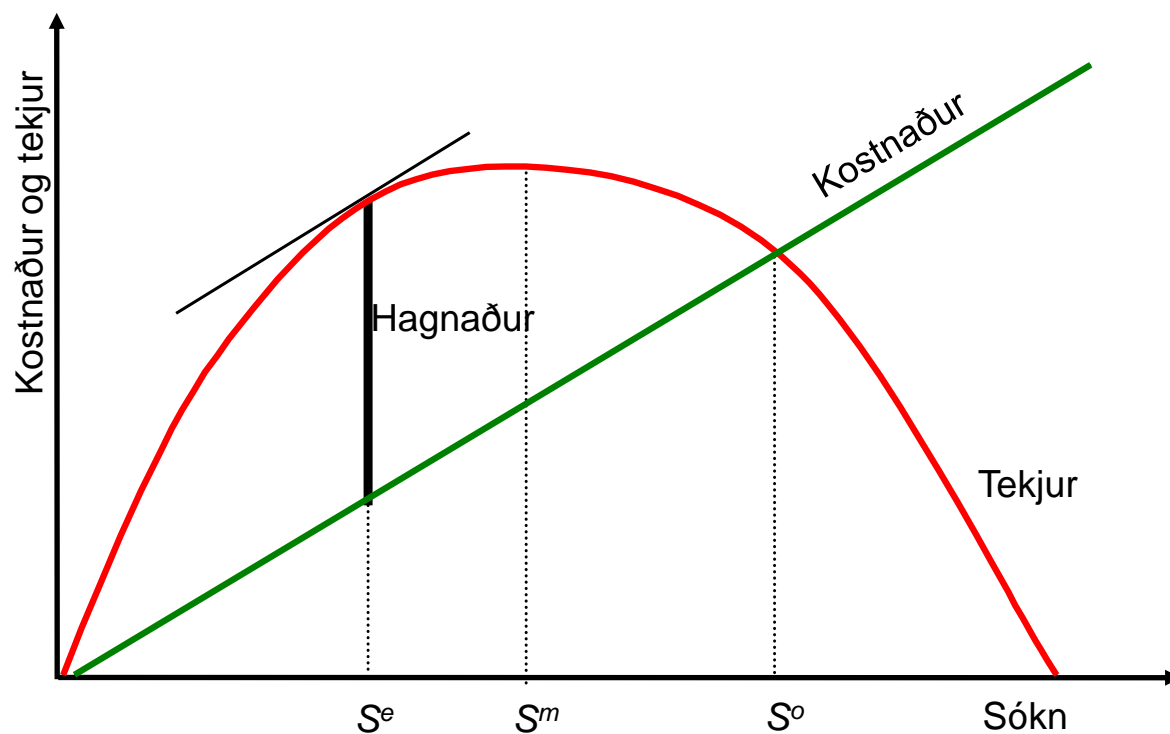

SARPUK  
Þjóðminjasafn Íslands

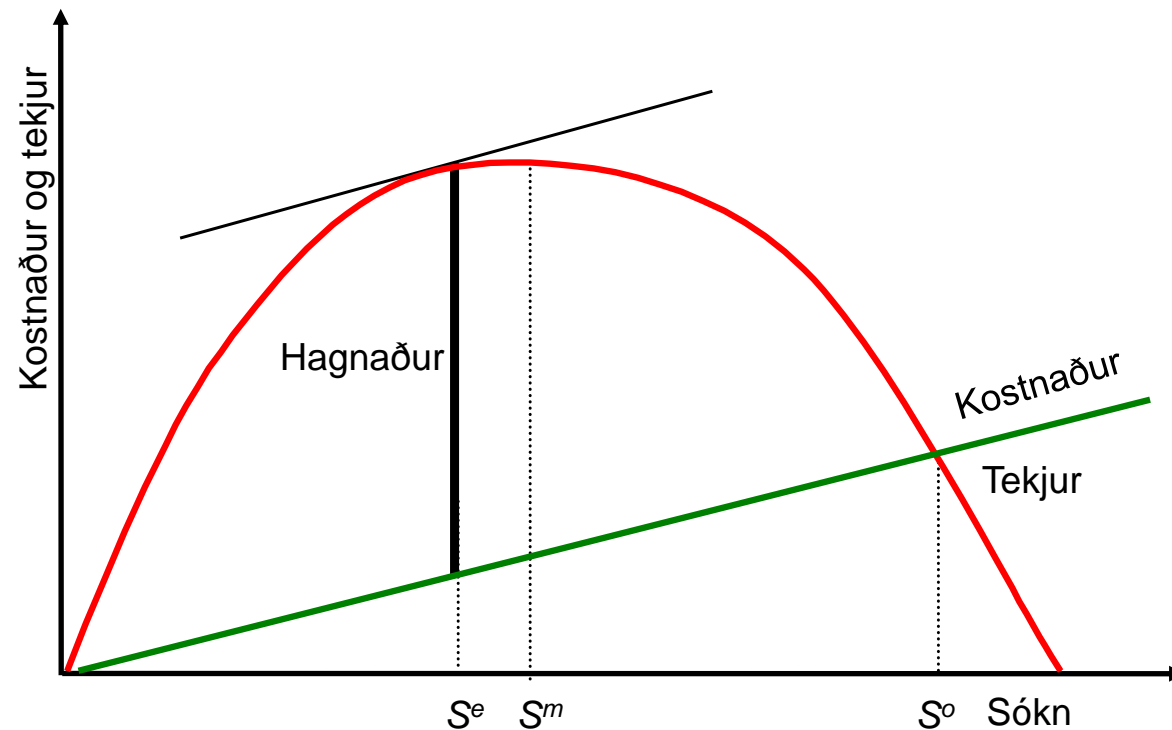

# Hagkvæmar veiðar

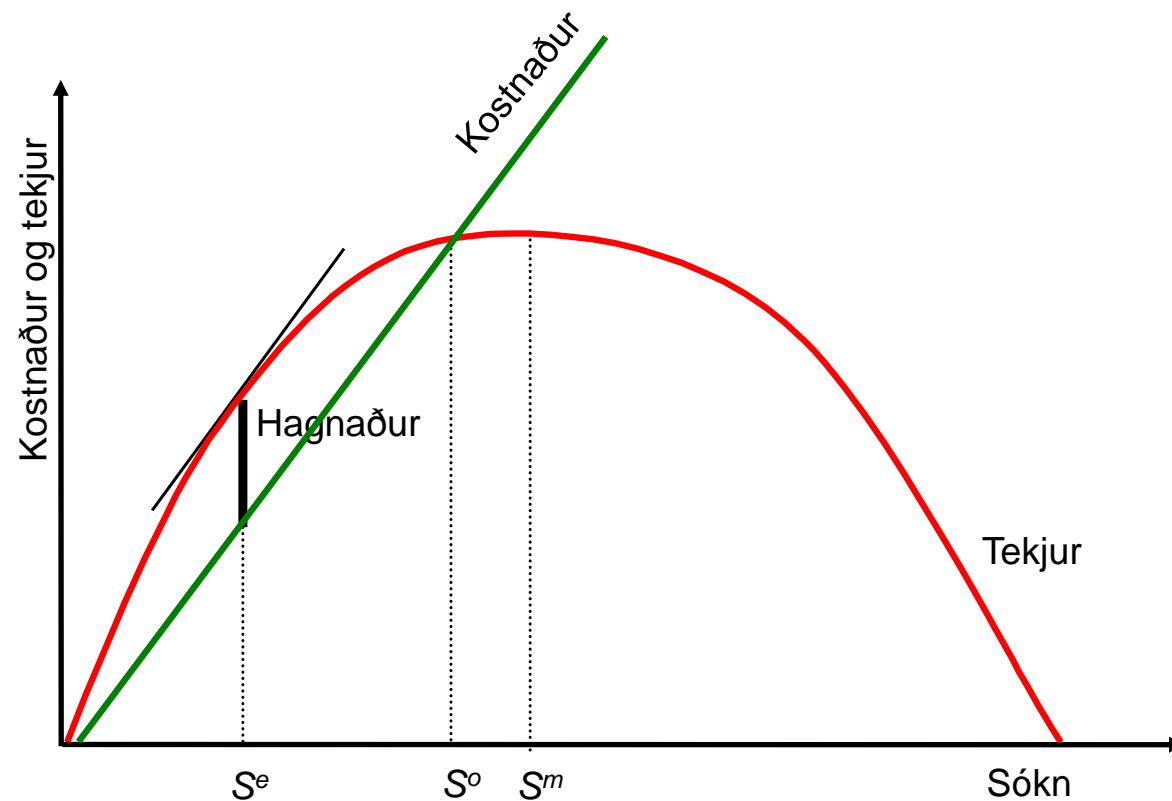

# Hagkvæmar veiðar – betri tækni

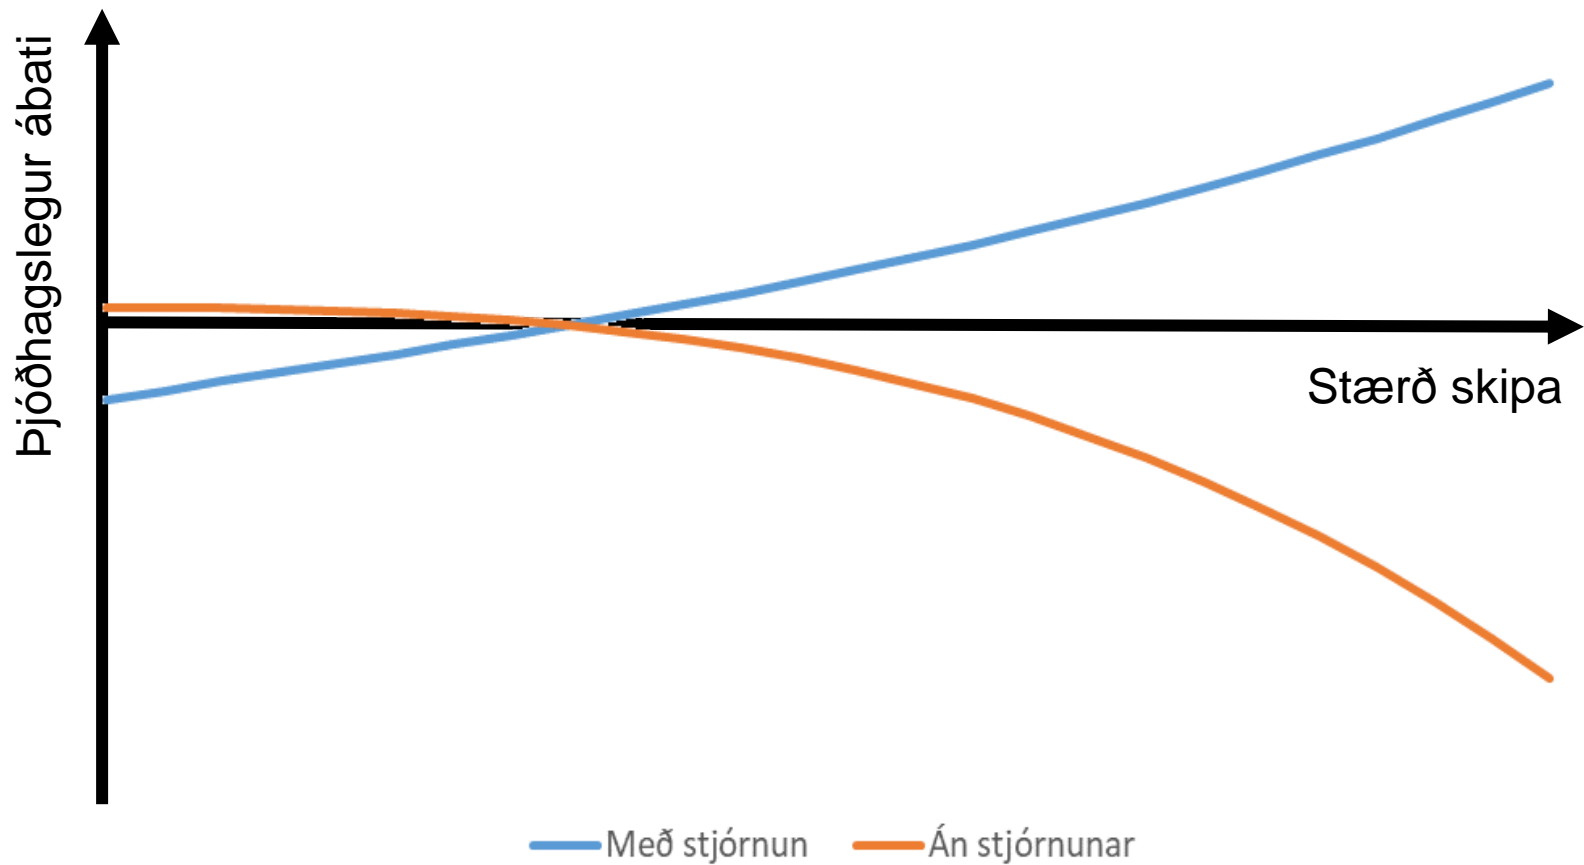

# Hagkvæmar veiðar – lakari tækni

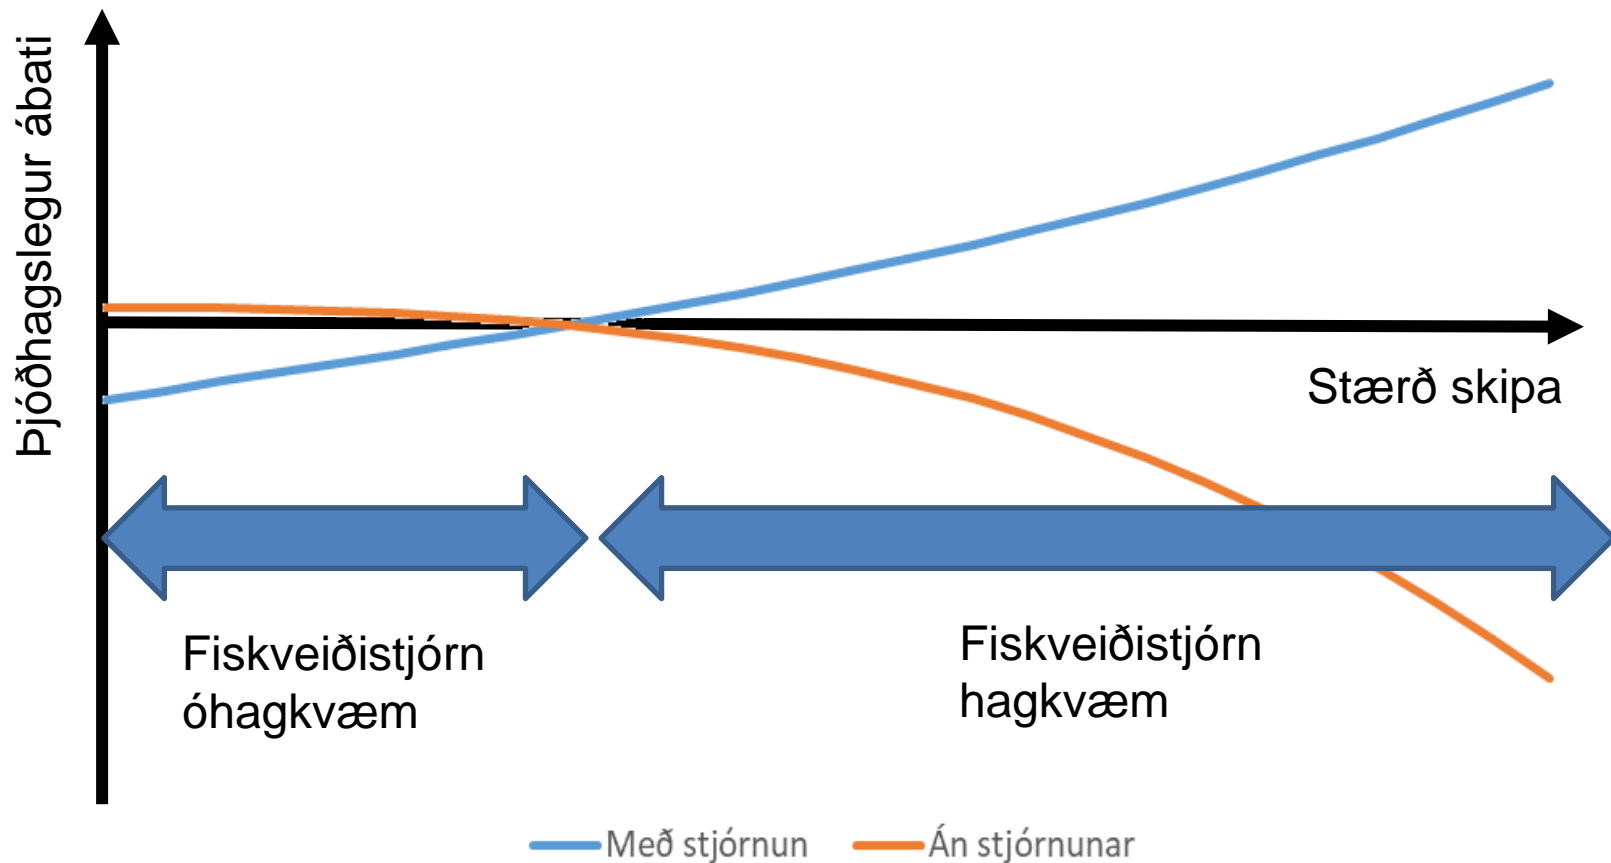

# Þjóðhagslegur ábati fiskveiðistjórnunar

# Þjóðhagslegur ábati fiskveiðistjórnunar

# Samantekt

- Veiðar í heiminum hafa staðið í stað í marga áratugi
- Mikið af veiðum í heiminum eru ósjálfbærar
- Fiskveiðistjórnun er ekki endilega lausnin
- En getur átt við þar sem skilyrði eru rétt

# Endir
